ALL ARE WELCOME! A MEMBER OF BLESSED TERESA OF CALCUTTA DEANERY

Dear People of God

I think I can get down to whether going to Mass on a Holy day is a sin or not in another few weeks! This week I want to address the whole theology of sin as we understand it in a modern context. Sin is to follow the lead of Adam and Eve and disobey God. All sin since the original version reported in Genesis is disobedience of one kind or another. Most sin can be seen as disobedience of one or the other of the two commands God gave: 1) love God and 2) love your neighbor as you love yourself. For example, if you steal something you're disobeying the first command because it was God who told you not to steal but you're also disobeying the second command because you're harming your neighbor. In the halcyon days of the Baltimore Catechism, developing a theme of a lot of scholastic philosophers, there were two categories of sinfulness: mortal and venial. Mortal sinfulness was anything which was so evil, so disobedient that it entirely destroyed the relationship between the sinner and God or the sinner and his/her neighbor. The act carried out created a permanent rift between the sinner and God and/or neighbor. The Church made it easy to determine whether the act was that evil: 1) it had to be well-established in the community to be that evil in and of itself which means I can't decide on my own but must look to the collective wisdom of those better versed in moral behaviors, 2) the one undertaking the act had to know (before hand and in the moment) that the act was that evil, and 3) the one undertaking the act had to do so with deliberation which means thinking through the evil itself and the negative consequences to self, others and relationship with God and doing it despite knowing only evil will result. A venial sin was defined disobedience which didn't meet the criteria for a mortal sin which means doing harm to others or to God perhaps without knowing just how bad that harm would be or which damages relationships but does not utterly destroy them. Today the emphasis on mortal and venial has been replaced by a much more nuanced sense of how much evil was perpetrated or let loose by one's disobedient actions. Sin might better be perceived as a spectrum from not so bad to very bad to totally bad depending on how the disobedience reflects our approach to and respect for the God who gave those two commands and our desire to do as we please regardless of how it might affect others and God. All of this depends on a) what we know, b) what we do knowing what we know, c) why we do what we do and d) how what we do affects others, be it God or God's people or God's creation. Sin is not something that can be pinned on anyone since the knowledge and the motivation are entirely interior to the person unless that person blabs to somebody before or during the act which would be a confession to sinning. Most people don't do that so sin has to be the movement within the conscience awakening the actor to a particular action which has caused harm to others and the extent to which that act was undertaken with deliberation. You might conclude that it's really difficult to commit a sin, but it's not really, it's just easy to rationalize that what we do isn't a sin because . . . (and that may be a yet greater sin since it harms anyone thinking that way).

Msgr. Chris

The Celebration of Sacraments

Infant Baptism: The Sacrament of Baptism is regularly celebrated on Sunday during or after the Eucharistic Liturgy. Registered parishioners are asked to arrange for the Baptismal Preparation Class and the Liturgical Celebration by calling the Parish Office.

Rite of Christian Initiation of Adults: RCIA is the process of growing in your faith and love of God. Weekly gatherings take place from September until Easter. If you are interested in learning about Catholicism and joining us please call Deacon Tom at the rectory at Historic St. Patrick @ 419-243-6452.

Penance: The Sacrament of Penance is celebrated at 3:30 p.m. on Saturday at IC, 9:30 a.m. at HSP and 10:30 a.m. at IC every Sunday or by appointment.

Matrimony: Anyone planning to be married must contact the parish at least six months in advance. The exact date and time of your wedding should not be determined until after consultation with a priest or deacon. If either party has previously been civilly or religiously married, the Presider is not permitted to set a date for the wedding without resolving the previous marriage.

Pastoral Care of the Sick: When a parishioner is admitted to the hospital, nursing home, or confined to home because of age or infirmity, please call the Parish Office. Parishioners are ready to visit and to bring Holy Communion. When one is seriously ill, the healing Presence of the Lord should be requested in the Sacrament of the Sick.

WELCOME TO IMMACULATE CONCEPTION

Health Information from the Parish Nurse for October 7, 2018

Action Planning: Breaking Down Health Goals into Manageable Steps. What Are Action Plans? Action plans, created jointly by healthcare providers and patients, spell out small and realistic steps the patient is planning to take to address a health goal. In addition to making changes to diets and physical activity routines, action plans can be used for a wide variety of goals—including stopping smoking, reducing stress, and improving sleep habits. Research has shown that a majority of patients who made an action plan in a primary care site reported making an associated behavior change. By transforming behavior change discussions with patients, action planning presents an opportunity to achieve concrete progress on health promotion goals.

H E L P !

As I'm sure everyone knows, I am currently writing the history of the parish from its founding in 1863. Over the years much of the more recent history has been lost, records destroyed and reminiscences of the pastors thrown out. I know that there was a major capital campaign when Joe O'Brien was pastor, but there are no records on how well it went. I'm anxious to provide a full and complete history and am asking for your help. If you can fill in the gaps around any of the following people or periods, please jot down a few notes and drop them in the collection or e-mail them to the parish.

Thanks,
Fr. Chris

Who served on Parish Council, Finance Committee and Liturgy Committee during the pastorates of Fr. Dick Bechtel, Fr. Joseph O'Brien, Fr. Patrick Scharf, Fr. Gerard Ruffing, Fr. Charles Ritter, Deacon David Vrooman, Fr Clarence Yeager, Fr. Paul Kwiatkowski, Fr. Juan Molina, Fr. James Sanford or Fr. Dennis Hartigan?

What were the major accomplishments of the parish during the terms of any of those pastors?

What were the outstanding parish celebrations during any of those pastorates?

What major repairs or upgrades occurred during any of those pastorates?

What were the greatest challenges and/or disasters during any of those pastorates?

Who were the outstanding volunteers during any of those pastorates?

What steps were taken to bring the people of St. James into the parish when St. James closed?

What do you know about Boy Scout Troop 143?

When did the Altar and Rosary Society, the men's groups, the boys and girls sodalities come to an end?

What information do you have about the establishment of the Outreach program, St. Vincent de Paul and the volunteers who staffed those two programs?

When Immaculate Conception School became part of the CCMT process, what were the steps taken to help the parish understand the loss of its school?

What interesting recollections do you have about the personalities of the pastors named above?
