ALL ARE WELCOME! A MEMBER OF BLESSED TERESA OF CALCUTTA DEANERY

Dear People of God,

I have been asked by parishioners at both of my parishes what the salty, white scale is on interior and exterior walls, as shown in these two images from the parishes. As I hope all of us learned in chemistry class or by watching DIY shows on TV, water is the principal enemy of any construction and can do untold damage to churches as well as homes. Repairs and conservation can be very expensive which is why we want to move as quickly as possible to prevent water damage.

When water invades rock or stone, brick, or mortar, it begins to dissolve the structural 'cement' that holds the material together. For example, in the image of stone being conserved at Historic St. Patrick, water got into the sandstone and began to dissolve the calcium deposits which maintain the integrity of the particles of sand (quartz which is generally impervious to water on its own). The water works its way along weaker sections splitting the stone, causing it to 'spall' or break off in surface slabs. You can see this splitting at work at the top of the photo. The dissolved calcium salts eventually rise to the surface and as the water evaporates, the salts remain behind as the white scale we can see in the picture.

Properly fired brick is often resistant to water, as is concrete sealed against water damage when it's installed, but the mortar holding the bricks together is not and water can and does invade the mortar joints and cause similar dissolution of the chemicals in the mortar. Concrete and cement suffer similar damage when they are repeatedly exposed to water. A white, powdery residue results where water flows only slowly while a buildup of salts similar to the formation of stalagmites can occur where water flows with some regularity. This can be seen in the brickwork and concrete facing on the piers at Immaculate Conception. The process is known as efflorescence, and we don't want to see it happening. It is a situation being monitored and addressed at both parishes.

Msgr. Chris

The Celebration of Sacraments

Infant Baptism: The Sacrament of Baptism is regularly celebrated on Sunday during or after the Eucharistic Liturgy. Registered parishioners are asked to arrange for the Baptismal Preparation Class and the Liturgical Celebration by calling the Parish Office.

Rite of Christian Initiation of Adults: RCIA is the process of growing in your faith and love of God. Weekly gatherings take place from September until Easter. If you are interested in learning about Catholicism and joining us please call Deacon Tom at the rectory at Historic St. Patrick @ 419-243-6452.

Penance: The Sacrament of Penance is celebrated at 3:30 p.m. on Saturday at IC, 9:30 a.m. at HSP and 10:30 a.m. at IC every Sunday or by appointment.

Matrimony: Anyone planning to be married must contact the parish at least six months in advance. The exact date and time of your wedding should not be determined until after consultation with a priest or deacon. If either party has previously been civilly or religiously married, the Presider is not permitted to set a date for the wedding without resolving the previous marriage.

Pastoral Care of the Sick: When a parishioner is admitted to the hospital, nursing home, or confined to home because of age or infirmity, please call the Parish Office. Parishioners are ready to visit and to bring Holy Communion. When one is seriously ill, the healing Presence of the Lord should be requested in the Sacrament of the Sick.

Afghan Refugee Resettlement Volunteers and Housing Funds Needed

Hundreds of Afghan evacuees will be resettled in Ohio through the U.S. Department of State's Afghan Placement and Assistance Program. Governor Mike DeWine recently announced the majority of Afghan refugees are headed to Columbus (345) and Cleveland (285), with Akron receiving 150 refugees and Cincinnati 50.

Upwards of 25 Afghan refugees are projected to resettle in the Toledo area, though no timetable currently exists as to when or what their group make-up will be —families, couples, individuals, says Corine Dehabey, Us Together Program Director, a Toledo not-for-profit assisting refugee and immigrant resettlement.

“When the refugees start arriving, immediate needs will be housing and transportation,” Ms. Dehabey says. Toledo landlords and Airbnb owners willing to provide housing should contact her at Toledo Us Together. Phone 419-469-2529 or 419-469-2572.

Volunteers will be needed to transport individuals and families from the airport, to housing, to do essential shopping, and to and from other essential appointments.

Donations of household items, winter clothing and school supplies may be needed. Businesses and companies willing to hire refugees will also be needed.

“We are also working on securing housing funds to help those who will have parole status and not refugee status, which means they don't qualify for public benefits or Office for Refugee Resettlement (ORR) Funding,” Ms. Dehabey adds.

Interested in assisting Afghan refugee resettlement efforts in the Cleveland area? Contact Cleveland Us Together at 216-456-9630; the U.S. Committee for Refugees and Immigrants (USCRI) at 216-781-4560 or email info@uscrioh.org; or Cleveland Catholic Charities Migration and Refugee Services at 216-939-3737.

Thank you for your compassionate generosity!

At the bottom, there is more text: "Bring your furry friends to the Historic Church of Saint Patrick on October 3rd at 2:00PM for our annual Blessing of the Pets." and a small note: "Please ensure that all pets are on a leash or in carriers. This is a rain or shine event."

WATCH CLARE AND FRANCIS

This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare, who is given equal stature with him. Both found major religious orders, and together they inspire many to follow their radical call to live the Gospel. Their impact has reached across the centuries to change the world.
