Welcome Veterans, Friends and Visitors!

As we gather to celebrate Veterans Day, Immaculate Conception offers prayer-filled thanks to all of the men and women who have so valiantly served in the Armed Forces of the United States. All across the globe people are wearing red poppies to mark the end of the first World War on 11 November 1918. We here in the United States have made this a day to recall valor, sacrifice and courage, not only in that world conflagration but in all of the many theaters of war which preceded and followed the events of the "War to End All Wars."

Veterans come in all sizes and shapes, all ethnic backgrounds, all races, all religions, and all deserve the support and prayers of the American community. Here at Immaculate Conception we pay particular attention to the aspect of prayer. Our prayers are those of thanks for the service provided to assure the safety of those at home, for the willingness to defend the rights of others in far distant lands, for the months and years separated from family here in the States. Our prayers are also for the veterans who need special care and attention as the result of their time in uniform, the wounds suffered in defense of nation and people, that all appropriate avenues of care and concern may be open to them. Our prayers are for the families of veterans, families who gave up so much while fathers and mothers, brothers and sisters, uncles and aunts, grandparents and grandchildren risked all serving in the armed forces, that they may know the support and encouragement of friends and neighbors and of a nation which shows compassion and love.

As we celebrate those who served, we also remember the many who are serving: Army, Navy, Air Force, Marines, Coast Guard, Merchant Marine. These men and women continue the tradition of excellence and honor which are the hallmarks of all of our veterans from times past. We pray for their safety, that secular leaders do their utmost to make war and violence a thing of the past.

Prayer is a powerful weapon, far more powerful than rockets, exploding shells and bullets. In our prayers we place our trust in a loving God to watch over and protect our veterans and active military, to be there with them as a source of comfort and hope.

With sincere thanks we welcome all veterans to this House of God today. It's great to have you with us and know that you are always in our prayers.

*Fr Chris*

Dear Brothers and Sisters in the Lord,

On Tuesday, Ohioans will vote on Issue 1. At this late hour, I come with a final word of encouragement and support that we might be able to say we've done everything possible to protect women, to protect parental rights, and to protect Ohio babies. With your help, we can defeat Issue 1. We must all go to the polls and motivate our family, friends and neighbors to do so as well. I urge you to exercise your civic duty to vote, and I urge you to fulfill your moral duty to vote NO on Issue 1. To be Catholic is to be Pro-Life, from conception to natural death. The amendment on which we are being asked to vote is nothing short of evil.

In the end, the most powerful weapon we have against evil is prayer, and the most powerful prayer we have is Holy Mass! Please join me on Monday, November 6, at 12:05 pm in St. Francis de Sales Church in downtown Toledo, as I offer Mass that hearts and minds may be converted and that Issue 1 might be defeated. I would be so grateful if a group from each parish could attend, and if you cannot attend in person, please join us in spirit and in prayer at that time.

May the Lord of life keep us faithful and constant in safeguarding the dignity of every human life.

Yours in Christ Jesus,

*+Daniel E. Thomas*

BY BISHOP DANIEL E. THOMAS

## Our Civic and Moral Duty

To be a voice in the public square during these days when voting is taking place on Issue 1, I recently presented an Op-Ed, "What is the Issue?," to the secular press, which I present to you in this column. You will note that it intentionally does not use Catholic language, no Catechism or Papal references. Why? Because today being today, the public often rejects outright anything which even hints of religion. Instead, the article is an appeal to reason! To assist you and those with whom you will interact, I want to provide this reasoned approach to a thoroughly unreasonable amendment.

As Catholics, protecting, defending, nurturing and caring for all human life is a moral imperative. But the life of the most innocent, the most vulnerable, the most defenseless among us, the unborn baby in the womb, must be our preeminent concern. Issue 1 will take abortion to an unprecedented level, enshrining in our State Constitution the "right" to take the life of a baby, even one about to be born!

### "What is the Issue?"

"In these weeks and on November 7<sup>th</sup>, we will have the opportunity and responsibility as good citizens to cast a vote on Issue 1, a proposed amendment to the Constitution of the State of Ohio. At first glance, some believe that the issue is only about keeping abortion legal, when in fact abortion is already legal

in the State of Ohio, up to fetal viability. This amendment, however, seeks to make abortion, in its most radical form, a right enshrined in our Constitution, in direct contradiction to the Declaration of Independence, which holds as a self-evident truth that all are endowed with the first unalienable right: the right to life. So abortion, in the end, is not the issue. Then what is?

Some will say it is a political issue. But this is not an issue of partisan politics, and we are not being asked to elect one candidate as opposed to another. This is not a democratic or republican issue; it is not an independent or green issue. Then what is it?

Some will say it is a religious issue. But this is not an issue of religious affiliation, and not the sole concern of one religion as opposed to another. This is not a Catholic or Evangelical issue; it is not a Muslim or Jewish issue. Then what is it?

Some will say it is an individual issue. But this is not an issue affecting only one person or concerning only certain members of our society. This is not a "my" issue or a "your" issue; it is not a liberal or conservative issue. Then what is it?

So what is the issue? Simply put, it is a human issue! The proposed amendment should compel all persons of goodwill who are committed to human rights, to

human development, to human flourishing, to human protections and to human goodness, to vote no for one reason: the amendment is inhuman.

Inhuman because it rejects and disrespects the rights of women and girls of Ohio, inhuman because it rejects and disrespects the rights of parents, inhuman because it rejects and disrespects the rights of the baby about to be born.

When one reads the language of the amendment, one understands that the issue, in the end, is not the legality of abortion, but human rights. There is a reason that the language of the amendment never mentions familiar human language: woman, girl, mother, father, parent, child, baby. There is a reason the crafters of the amendment language were enraged when more human language was included in the final version of the ballot. I invite you to read the language of the amendment itself, and seriously to consider what the language really means here: [www.toledodiocese.org/voteno](http://www.toledodiocese.org/voteno).

Read the language and read between the lines! Make no mistake, the proposed amendment would not only enshrine abortion into the Ohio Constitution, but take it to its furthest extreme by placing women and girls at risk in an unregulated abortion environment, by undermining the rights of parents to know if their young children are being counseled, encouraged and assisted in having abortions or receiving life changing hormonal treatments against their will, and by permitting late term abortions through nine months of pregnancy, even up until birth!

How telling to note that as humans, we delight in the announcement of the zoo that an animal mother is pregnant, we anxiously await the birth of her babies,

even name them before they are born, and mourn them if they are lost! How telling to note that in a great many schools in the State of Ohio, parents or

guardians must give permission for their minor children to receive even an aspirin; and according to Ohio law, they must sign a minor child's application for a driver's license or permit, they must give consent for their minor child to have their ears pierced or to get a tattoo. According to

the proposed amendment, however, a minor could have a life altering surgical procedure without the consent of parents!

So what is the issue? Issue 1 is not a political issue, it is not a religious issue, it is not an individual issue. In the end, Issue 1 is a human issue that affects all persons and our entire community, regardless of political or religious affiliations.

As human persons, we are created good, we are made for good and made to do good. I encourage all people of goodwill to exercise their right to vote, to defend human rights, and to vote no on Issue 1 in accord with our human nature!"

In closing, dear friends, you've heard me say and I say it again: to be Catholic is to be Pro-Life, from conception to natural death. The amendment on which we are being asked to vote is nothing short of evil. I urge you to exercise your civic duty to vote, and I urge you to fulfill your moral duty to vote NO on Issue 1.
